Locals to participate in Softball Nationals

The Long Island Greyhound Softball Team accepted a bid to participate in the 2010 ASA Eastern Nationals. The team won the championship at the LI Bandits Road to the Nationals Softball Tournament in June. They will now be competing in York, Pennsylvania in August. The Greyhounds will just be returning from a Triple Crown Rising Stars Summer National Tournament in Myrtle Beach, SC and go directly to York. The Amateur Softball Association is the national governing body of softball. The Amateur Softball Association (ASA), a volunteer, not-for-profit organization based in Oklahoma City, was founded in 1933 and has evolved into the strongest softball organization in the country. The growth and development of the association led the United States Olympic Committee (USOC) to name the ASA the National Governing Body of Softball, pursuant to the Amateur Sports Act of 1978. The Long Island Greyhounds were founded to promote softball and prevention of cruelty to animals. They are active in raising awareness for our soldiers by annually contributing to Fisher House and Operation Gratitude. Look for their 3rd Annual Veteran's Day Tournament this fall.
